<p>PSA Peugeot Citroën: €500m bond issue</p>

PSA Peugeot Citroën successfully placed a €500m bond issue, with a maturity of March 2016 and carrying a coupon of 6,875%.

This bond issue confirms the Group's ability to seize opportunities in the bond market, and access liquidity despite volatile financial market conditions.

Following on from the successful transactions carried out in 2010 and early 2011, it is part of the Group's balanced management of its debt maturity profile and is consistent with its average debt maturity objective.
