2. MEMBERSHIP, ORGANIZATION AND MEETINGS

The Committee shall be comprised of at least three non-executive directors (more than half of whom are independent under the DCGC) elected by the Board of Directors, which shall also appoint one of them as chairperson of the Committee (the “Chairperson”). For a period of four (4) years as from the Effective Date, the Chairperson shall be selected among the independent directors nominated by Peugeot S.A (or his or her replacement). In the event that a member of the Committee who has been designated as independent (under the DCGC) is or becomes aware of any circumstance

which may reasonably impair or be reasonably perceived to impair his or her independence, he or she shall inform the Senior Independent Director and the Chairperson (or in the case of the Chairperson, the other members of the Committee) thereof promptly. The Committee shall consult with the Board of Directors in order to determine whether there is sufficient cause for such member's resignation from, or the termination of such member's membership on, the Committee.

The Committee shall meet at such time and place as the Chairperson or a majority of the members of the Committee may from time to time determine, provided that meetings of the Committee will be held in the Netherlands except if, due to good cause, such meeting cannot take place in the Netherlands. The Committee shall meet at least once every year.

A quorum of the Committee shall consist if the Committee consists of an uneven number of members of a majority of the members thereof, and if the Committee consists of an even number of members of at least one-half of the members thereof.

The Committee strives for consensus in connection with any proposal or recommendation to be given to the Board of Directors. If no consensus can be reached within the Committee, recommendations by the Committee to the Board of Directors shall be based on a majority of votes and the dissenting opinion(s) will be mentioned in the proposal or recommendation of the Committee to the Board of Directors.

Minutes must be kept of the Committee's meetings. The minutes will state the time and place of the meeting, list the persons attending the meeting and summarize matters discussed. The minutes shall be confirmed by the Chairperson and the secretary (if any) of the meeting, signed by them and filed with the minutes of the proceedings of the Committee. The originals of such minutes shall be kept in The Netherlands.

The members of the Committee shall use their best efforts to be physically present at the meetings of the Committee. By exception, members of such committee may participate in meetings of the Committee by means of telephone or video conference or similar communications equipment provided all persons participating in the meeting can hear, and be heard by, one another. The person or persons authorized to call meetings of the Committee shall ensure that such meetings are scheduled sufficiently in advance to enable a majority of the members of the Committee to be physically present at the place of such meetings.

The Committee may invite members of the management, employees, internal or external counsel, or others whose advice and counsel are relevant to the issues then being considered by the Committee to attend any meetings and to provide any such pertinent information as the Committee may request. The Committee may delegate any of its responsibilities to one or more subcommittees as the Committee may from time to time deem appropriate.

The Committee shall perform a review and evaluation, at least annually, of the performance of the Committee and its members, including by reviewing the compliance of the Committee with the terms of this Charter. The Committee shall review and reassess periodically the adequacy of the Charter and recommend to the Board of Directors any improvements to the Charter that the Committee considers necessary or appropriate.
