

Silvia VERNETTI
Global Corporate Office

Silvia Verneti was appointed head of the Global Corporate Office and a member of Stellantis' Top Executive Team in January 2021.

She has experience in strategic planning, business development as well as financial business management.

She held consultant roles at Bain & Company (Italy) and Andersen Consulting prior to joining Fiat S.p.A in 2004 where she was responsible for Business Development and Joint Ventures Coordination for Fidis, the Group's consumer finance unit.

Verneti also served as the Head of Business Development for FCA's EMEA Region from 2009 and Head of FCA Serbia from 2011. During this period, she also led the Fiat Group Auto Alliances Management & Strategic Planning function where she managed alliances with key industrial partners.

She was Global Head of Jeep Finance, a position she was named to in March 2018.

Verneti holds a master's degree in engineering from Politecnico University of Catalunya (Barcelona).
